Recommendations for Future Research & Practice

✓ Family Engagement & Access

Provide family engagement programming and events

Establish a Family Engagement/Relations Office

✓ Student Academic Support

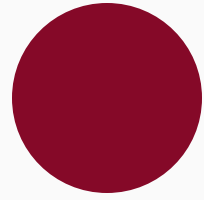

Provide academic support during the entire college experience beginning with pre-enrollment (before arriving to college)

Creating bridge programs to provide academic support and connection during the summer and partnering with high schools.

✓ Increase Faculty/Staff Education on Latinx Students

Provide training and education seminars for faculty and staff on understanding, working with, and supporting Latinx students.
