To the Dean of Graduate School:

I am submitting herewith a thesis written by Tiffany Hoang entitled "Potential Antioxidant Benefits of Rosemary Extract on Fry Life Response of Cottonseed oil". I have examined this thesis for form and content and recommend that it be accepted in partial fulfillment of the requirements for the degree of Master of Science with a major in Food Science.

Dr. John Radcliffe, Major Professor

We have read this thesis and recommend its acceptance:

Dr. Cynthia Warren

Dr. Tom Trezza

Department Interim Chair- Dr. Gay James

Accepted:

Dean of Graduate School
