## **HONORS CONVOCATION ACTIVITIES ANNOUNCED**

A former educator will honor successful students, faculty and staff this year during Honors Convocation at TWU on Thurs., April 24. Nan Hutchins Bailey, chair of the TWU board of regents and former mathematics teacher -- as keynote speaker -- will share the stage in Margo Jones Performance Hall with Dr. Carol Surlles (president's office), members of the executive staff and recipients of TWU's highest honors. The entire university community -- Denton, Dallas and Houston -- is invited and encouraged to attend the 10:30 a.m. program, which honors outstanding faculty, staff and student accomplishments for the 1996-97 academic year.

Classes on the Denton campus *only* will be dismissed from 10 a.m. to 1 p.m. so that the university community may attend. Offices that can be closed during this time may post a notice indicating when they will re-open; offices that cannot close should arrange for coverage during the ceremony. The general public is invited, and the TWU National Alumnae Association will host a picnic for everyone on the Pioneer Woman circle after the convocation to honor TWU's 1996-97 graduates.

Special awards presented include: the Cornaro Award, for a distinguished senior faculty member, and the Mary Mason Lyon Award, to three junior faculty members (who have fewer than 10 years of university teaching) -- all honoring excellence in teaching, research and service; the TWU Excellence Award and Outstanding Achievement Awards, recognizing the dedication of TWU staff members; and Outstanding Senior and Graduate Student Awards. In addition, several student leaders and recipients of the 1997 Distinguished Alumnae Award will be introduced.

Faculty and academic administrators are encouraged to march in the procession and to wear academic regalia. Student members of honorary organizations are welcome to join the procession and to sit in the center section of the hall, directly behind the faculty. Other members of the TWU board of regents also have been invited to participate.

The line of march for the academic procession will form at 10:20 a.m. on the circular drive immediately in front of the Music Building and will move into MJPH promptly at 10:30 a.m. Program participants, honorees and others who will be seated on stage will precede the academic procession into the hall. ## **IDEAS FOR ELDERHOSTEL SOUGHT**

TWU has been approved as a site for Elderhostel, the international organization dedicated to serving the educational needs of people over age 55. As a result, the office of continuing education is seeking faculty members who would be interested in teaching courses for this group of people. "We are inviting TWU faculty interested in teaching vibrant, enthusiastic and questing adults to submit proposals for courses for the winter 1998 Elderhostel program," said Silvia Lesko (continuing education). "Successful Elderhostel programs showcase the unique

features of facilities and communities in which they are located. They provide an academically challenging learning experience, plus a lively social atmosphere.”

Elderhostel requirements state that the courses must be college level, with no homework, exams or grades. Courses also should be 7.5 hours in length. “Hostelers visiting the TWU campus will have the opportunity to sample three different courses during their 5-day stay from Jan. 1 to March 31, 1998. Courses may include field trips if they are part of the learning experience,” added Lesko. The deadline to submit proposals is May 15, 1997. For more information, call Lesko at 8-1-3411.
